

Now offering  
**Lap-Band™**  
surgery!

With nearly one-third of U.S. adults suffering from obesity, physicians have developed innovative, minimally invasive surgical weight-loss solutions to complement diet, exercise and behavior modification treatments.

Join our surgical specialists for a FREE educational seminar about Lap-Band™ surgery at 7 p.m. on:

**February 13**

**March 13**

Doctors Community Hospital  
Professional Office Building  
Ground Floor Conference Room  
(8116 Good Luck Rd., Lanham)

Parking available in adjacent garage.

Please register by calling  
**1-855-2LOSEW8** or **lapband.com**.
