Welcome from the staff at Doctors Community Hospital!

Thank you for selecting Doctors Community Hospital for your procedure or surgery. [Please read the enclosed "Guide to Preparing You for Your Procedure"](#). The majority of the information you need to know is covered in this booklet.

Please complete and [return the "Patient Health Information" form](#), located in the center of the booklet. Instructions are provided.

A few days prior to your scheduled procedure, a Pre-Operative Evaluation Nurse will call you to discuss your procedure and provide any specific instructions. If you have any questions concerning your procedure, please call your surgeon or physician.

We look forward to caring for you and your family and are...

Dedicated to **C**aring for your **H**health,
