Welcome to Our Community

Even if it's temporary, it's always nice to have a place to call home. Traveling to Doctors Community Hospital from out of the area for hospitalization can be stressful for everyone involved. To help ease the stress of finding a place to stay near the hospital, DCH has developed partnerships with many Lanham area hotels that provide reduced rates for patients and families under our care. Please remember to ask for the Doctors Community Hospital rate when calling to make reservations.

We hope you enjoy your stay!
