Founded in 1975, Luminis Health Doctors Community Medical Center (LHDCMC) has a proud history of serving as a beacon of hope and wellness for Prince Georgians. Located in Lanham, Md., LHDCMC is committed to addressing the growing needs of our diverse community by providing high-quality, comprehensive and compassionate care.

Distinctions
- First hospital in Prince George's County to provide robot-assisted bariatric surgery
- First comprehensive breast care center in Prince George's County with a dedicated surgeon
- Largest lymphedema program in the area
- The first Sleep Center accredited by the American Academy of Sleep Medicine in Prince George's County.
- Pediatric emergency care partner with Children's National
- In-network hospital with Kaiser Permanente
- The largest innovative Wound Care Center in Prince George's County

Meeting our Community's Needs
The Prince George's County Community Health Needs Assessment and other data provide important information about the health needs, behaviors and chronic conditions that impact the lives of Prince George's County residents. To address these challenges, LHDCMC is serving the community in the following ways:

- Building a comprehensive behavioral health program on our Lanham campus
- Developing an obstetrics program to respond to the need in Prince George's County for a labor and delivery site close to home
- Expanding surgical care services

LHDCMC took action to address the disproportionate impact of the COVID-19 pandemic on the community:

- Provided outreach and education to more than 29,000 people
- Administered 13,000+ tests at a COVID-19 test site in Hyattsville
- Administered 61,000+ vaccines via a mobile clinic and community sites throughout the county
