Legacy of Service

Your body is a complex system. Each part has an important role in supporting your well-being. The same is true at Doctors Community Health System. Our network of care can help you maintain and improve your overall health. **So, let our system care for yours.**

Our flagship – **Doctors Community Hospital** – was founded in 1975 by a team of physicians who were committed to improving local access to quality medical and surgical care. Continuing that proud legacy, our nonprofit hospital has grown into a modern facility with 212 available beds. We complement the hospital’s medical and surgical programs with more than a dozen centers of care located throughout the area.

High-Quality Care

Your overall care is our primary focus. That's why we continuously strive to elevate our high standards. Our proven commitment to providing such care has been recognized by notable organizations:

- ‡ Centers for Medicare and Medicaid Services' (CMS) Highest Ranking Hospital in Prince George's County (2018)
- ‡ U.S. Department of Health and Human Services' Silver Recognition for Organ Donations (2018)
- ‡ Health Services Cost Review Commission's Top Ten in Maryland in Overall Patient Safety, Reduction of Hospital Acquired Conditions and Reduction of All-Cause 30-Day Hospital Readmissions (2018)
- ‡ The Joint Commission's Accreditation (2017)
- ‡ *U.S. News & World Report's* High Performing Hospitals in Heart Failure and Chronic Obstructive Pulmonary Disease (COPD) (2017)
- ‡ American Heart Association/American Stroke Association's Stroke Gold Plus Award (2017)
