

Bariatric Surgery Program at Doctors Community Hospital

Bariatric Program Fee Summary

The Bariatric Surgery Program at Doctors Community Hospital is a comprehensive program to help you achieve your weight loss goals, and support your commitment to life long lifestyle changes. Doctors Community Surgical Associates has compiled a team of experts to help give you the best opportunity for success. This program will be supporting you before and after your surgery. Our team will be there every step of the way, during your weight loss journey.

There is a \$400.00 Bariatric Program fee that covers, but is not limited to, the following non-physician services:

- Nutrition workbook and educational materials
- Pre-operative education
- One individual appointment with our licensed Bariatric Dietitian
- Six group nutrition classes
- Insurance navigation and assistance
- Post-operative support groups

The Bariatric Program fee:

- Is due at the time you enroll in the Bariatric Surgery Program
- Is non-refundable
- Is not billed to your insurance company
- Does not cover any co-insurance, co-payments or deductibles
- Does not guarantee eligibility for surgery (determined by your insurance carrier)

I understand the above program fee summary and agree to the terms and conditions.
